

Community Transport

Our service is available to all persons who cannot readily access their own, or public transport. This could be due to temporary or permanent disability, age, or living in an isolated area without access to public transport. We provide a return service from and to your door using mobility standard buses. To find out more, or to book a journey just ring.

8.30-12.30 Mon-Fri

Our buses are primarily for shopping trips but can be used to visit other facilities such as the library, doctors, dentists or leisure centre.

We also operate a voluntary car service for individual journeys, tailored to your needs, primarily to doctors, dentists and hospital appointments, using the same eligibility criteria as for the Ring & Ride.
